SIOPOR®
FR AST

Flame retardant, anti-static rain jacket

The stylish Glenroy is a waterproof, flame retardant and anti-static rain parka. It has been fitted with narrow reflective FR strips for increased visibility. The rain parka has a standing collar to which a hood can be attached (sold separately) which can then be stored in a special inside pocket. In addition, it has one inside pocket and two outside pockets, one chest pocket, one Napoleon pocket and two loops for gas detection meters. Additional features are the sleeve narrowing and the drawstring at the waist. Thanks to the I.L.S. system, various fleeces, liners and softshells can be zipped in.

Flame retardant, anti-static rain jacket

Glenroy - 7222A2EF7
